

# YOUR VOTE

## MADE A *BIG* DIFFERENCE

In November 2010, Orange County voters approved a 1 mill property tax increase for four years to preserve academic programs, retain highly qualified teachers, and protect arts, athletics and student activities.

Thanks to your support, the students of Orange County are much better off than they would have been. You will see below that per-pupil funding is at its lowest level in more than five years. However, thanks to the additional 1 mill, we have been able to maintain a high level of service.

### BUDGETED FUNDING PER STUDENT

### Here's how your 1 mill was spent:\*

- ★ Preserve academic programs and retain 734 highly qualified teachers: .....\$44,060,795
- ★ Protect arts (music, art, drama): .....\$31,700,365
- ★ Protect athletics: .....\$5,435,614
- ★ Protect student activities: .....\$1,616,920

\* 2011-2012
